

THE **BEST KEPT SECRET** IN AMERICAN BUSINESS REVEALED

# DEBI EINMO

**The #1 secret in American business today will shock your listeners and keep them entranced.**

## HERE ARE 5 SECRETS THAT CAN BE REVEALED

- Size doesn't matter-- even a single-person shop can benefit;
- Whatever you are selling-- it can be altered slightly and sold indirectly to the US government;
- Location doesn't matter --there are government contractors everywhere...just look around;
- You don't need to know government contracting rules since you won't be contracting; You already know 90% of what you need to know to be successful.

## HERE ARE 6 TOPICS FOR DISCUSSION

1. Whatever you are selling the US Government is buying it
2. Gain insider secrets that the US Government doesn't want you to know
3. Understand why large corporations need your small business
4. Maximize your earnings while utilizing existing resources
5. Expand your marketing vision and increase opportunities
6. Learn why the Small Business Set-Aside program has failed

The best kept secret in American business has 2 types of businesses booming right now. If you own a small business ...you can become one of them. Our guest will tell you how you can grab a slice of the stimulus pie and benefit from government spending.

*"This lady knows her stuff and is both articulate and entertaining"*  
The Consultant's Corner.

*"A great guest who can perform magic by engaging callers with candid advice..."*  
Author Radio.

*"Booking Debi was a last-minute fill in, but she performed like a champ"*  
Small Business TV.
